CLUB 88

LEVEL UP YOUR EVENT

Club 88 on Level 12 is a self-contained hospitality floor with floor-to-ceiling windows, an outdoor terrace, and panoramic views across St Paul's Cathedral, the City skyline and the Barbican. Three flexible rooms open onto an elegant lounge, moving effortlessly from boardroom to private dining to drinks reception, with the skyline as the backdrop throughout.

Consider Level 12 your VIP floor, your sponsor lounge, your private hospitality enclave.

How clients are already pairing Level 1 with Club 88:

- A dedicated VIP floor — giving top-tier guests their own exclusive space above the main event
- A sponsor lounge — private with catering and views that justify the premium
- A leadership breakout for senior stakeholders — quieter, considered, away from the main floor
- An after-hours enclave for private dining or drinks once the main event wraps, for the people who matter most

Three flexible rooms opening onto a lounge and outdoor terrace, with panoramic views across St Paul's, the City and beyond.

Board meetings, leadership offsites, private dining, drinks receptions, brand showcases. 10 to 100 guests.

The atmosphere shifts naturally from focused sessions and working lunches through to relaxed networking or evening entertainment.

we'll make it feel *easy*.
