INSPIRATION

SEE THE BUILDING DIFFERENTLY

Club 88 works beautifully as a standalone private offer, individual boardroom hire and equally as an extension to a wider event across the building.

Consider Club 88 your VIP floor, your sponsor lounge, your private hospitality enclave.

Some of the ways clients are already imagining it:

- A premium addition to Level 1, giving VIP guests their own dedicated space above the main event
- A sponsor lounge at an industry conference: private, elevated, with catering and views that make the premium feel real
- A breakout floor for leadership teams, a quieter, considered space for senior stakeholders during larger days
- A private hospitality enclave for client entertainment, seamlessly hosted, with the City as the setting
- An after-hours space: dinner, sports event or drinks once the main event wraps, for the people who matter most

LEVEL 1

NEED MORE SPACE? OUR FLOOR BELOW IS READY

Your event is at Club 88. But if your numbers are bigger than Club 88 alone, or you want to separate your audiences across the building, Level 1 at 88 Wood Street is right below you.

Level 1 is a large-format event and conference floor, designed for the moments that need scale. Think opening plenary, awards ceremony, hybrid broadcast, or the kind of networking session that fills a room.

Clients are already running Club 88 and Level 1 together:

- Club 88 for VIP breakout or private dining while Level 1 hosts the full delegate audience below.
- Level 1 as the main conference stage, Club 88 as the executive floor. Two tiers, one building.
- Arrival and networking on Level 1, dinner and drinks at Club 88. A natural progression through the building.

Built for scale. The main Pavilion takes up to 500 theatre, 270 cabaret or 280 banquet, with a private catering and networking space of 700 sqm alongside.

The layout adapts throughout the day: up to four breakout spaces, and a seamless shift from structured sessions to social evenings.

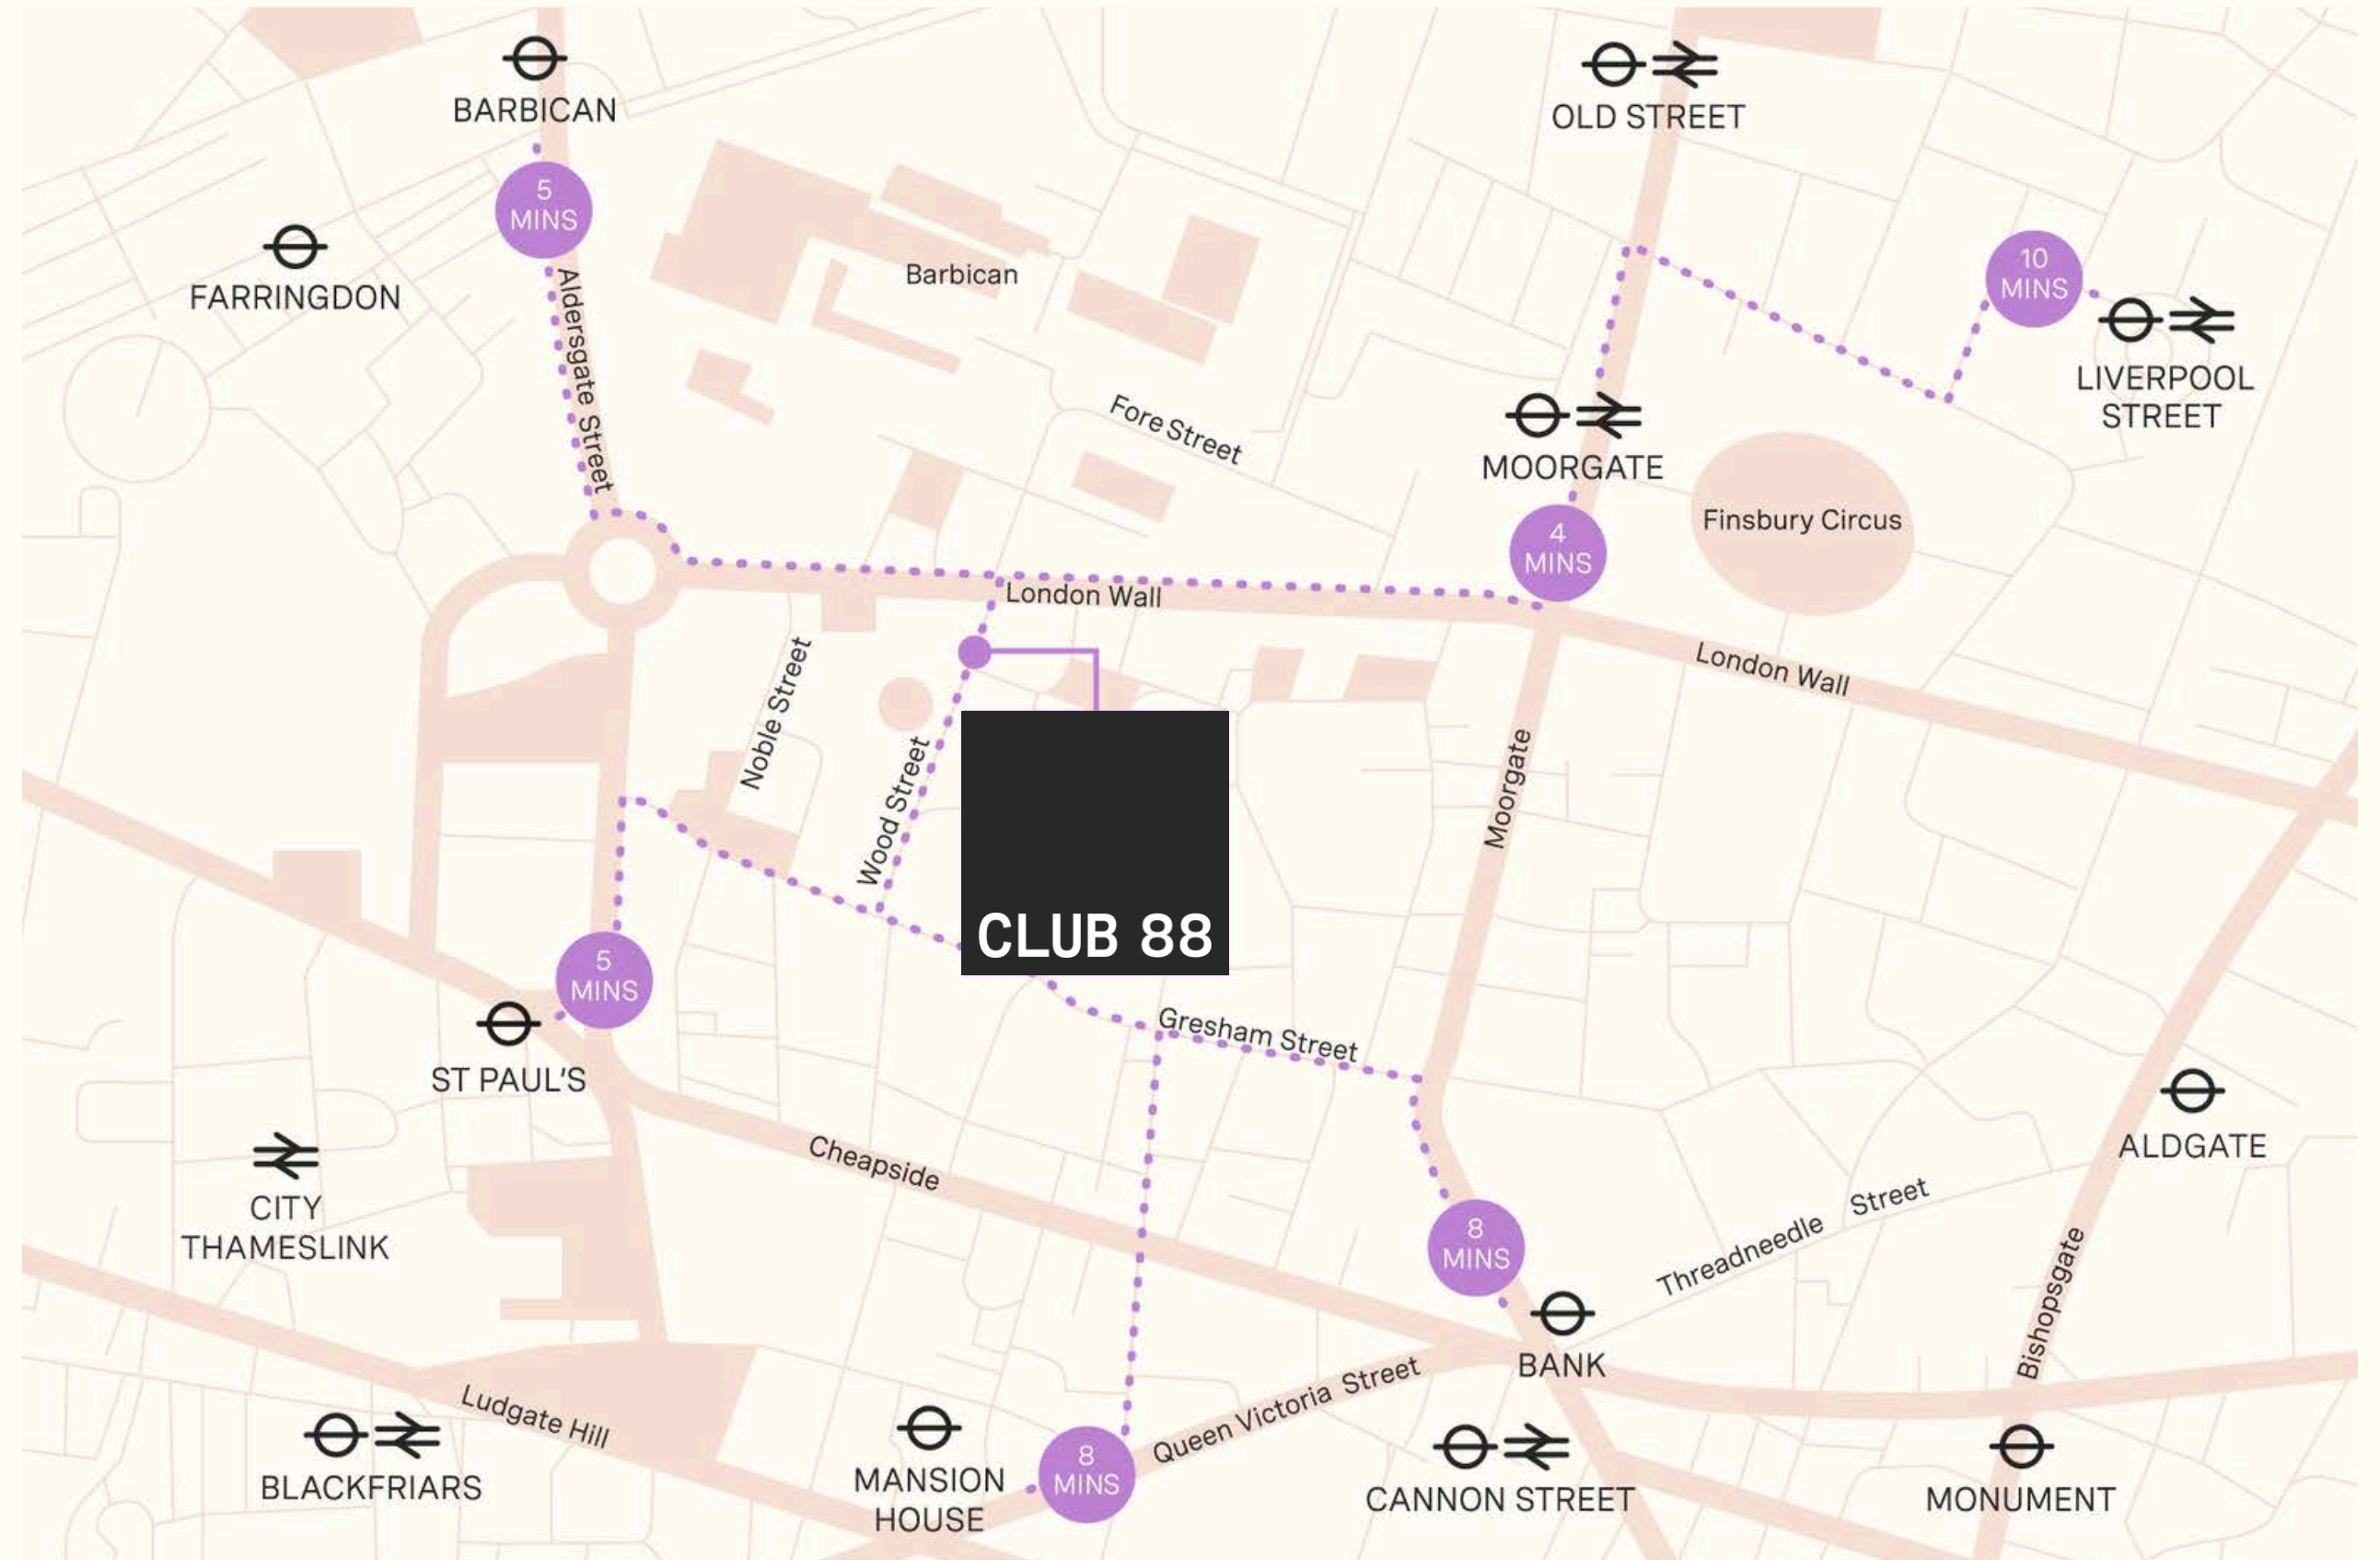

Technology is integrated and in-house: 9-metre LED wall, strong network and streaming capability, flexible digital branding throughout. One on-site team. No supplier complexity.

LOCATION & CONNECTIVITY

IN THE HEART OF THE CITY

Club 88 sits in the heart of the City, with St Paul's, Bank, Moorgate, Liverpool St and Barbican all within walking distance. The location makes arriving feel straightforward, easy and unforced, setting the tone from the moment people step inside. Well connected across London, the UK and internationally. Less friction. Better attendance. A smoother day for everyone.
