CHRISTMAS AT CLUB 88 | 88 WOOD STREET, EC2

together.space

Some evenings need a room that does the work for you.
This December, we're dressing Club 88 for the season.

THE SPACE

ONE FLOOR. ALL YOURS

Club 88 is on Level 12 at TOGETHER, 88 Wood Street. Views over St Paul's, a terrace, a bar, and a team who know how to look after people.

The Club Lounge for drinks and conversation. The terrace for fresh air and the view. Three Aether rooms for a quieter corner, a speech, or somewhere for the coats. Everything on one floor, so your guests can drift without losing each other.

AETHER, meaning "pure air," "bright upper air," or "heaven" representing the highest, purest form of atmosphere.

CHRISTMAS PACKAGES

The festive welcome

£40 PER PERSON PLUS VAT

A glass of sparkle on arrival, then an hour of beer, wine and soft drinks. Your choice of four festive canapés passed through the room, or two sharing boards for guests who'd rather gather round a table. The right length for the end of a working day.

The festive celebration

£65 PER PERSON PLUS VAT

A glass of sparkle on arrival, then two hours of beer, wine and soft drinks. Six festive canapés passed through the room, or three sharing boards on the bar. Enough time for the speeches and the second round of conversations.

The sharing board evening

£110 PER PERSON PLUS VAT

A festive cocktail or a glass of sparkle to start, then three hours of beer, wine and soft drinks. Four canapés while the room fills, then three sharing boards when it settles. Want it to last? Add a fourth hour of drinks for £15 per person.

Rather sit down?

We can do that too. A seated Christmas dinner in the Aether rooms, built around your numbers and your menu. Tell us what you have in mind.

Minimum numbers apply. Entertainment, lighting and AV quoted to suit your evening.

TOGETHER

CHRISTMAS AT CLUB 88

Your Christmas, above the City.

Rooms looking out over St Paul's and the City skyline.
In December, the whole thing is lit.

HOW IT WORKS

TELL US WHAT YOU'RE PLANNING

Tell us the date, the numbers and the feel you want.
We'll come back with a proposal built around your evening.

Some ways people are already using Club 88 this December:

A drinks reception for the whole team, canapés passed
through the room and the terrace open for the view

A client thank-you, sharing boards on the bar and a quieter
Aether room for the conversations that matter

A seated Christmas dinner for the leadership team, the
Aether rooms combined into one long table

Post-conference drinks, the day's delegates coming up from
Level 1 for a glass of something before they head home

Dates in December go quickly,
so it's worth getting in touch early.

LEVEL 1

BIGGER PARTY? OUR FLOOR BELOW IS READY

Your Christmas is at Club 88. But if your numbers are bigger than Club 88 alone, or you want the whole company in one room, Level 1 at 88 Wood Street is right below you.

Level 1 is a large-format event floor, designed for the moments that need scale. The same Christmas packages run on both floors, so a drinks reception for 300 works just as well as one for 70.

Some clients run both:

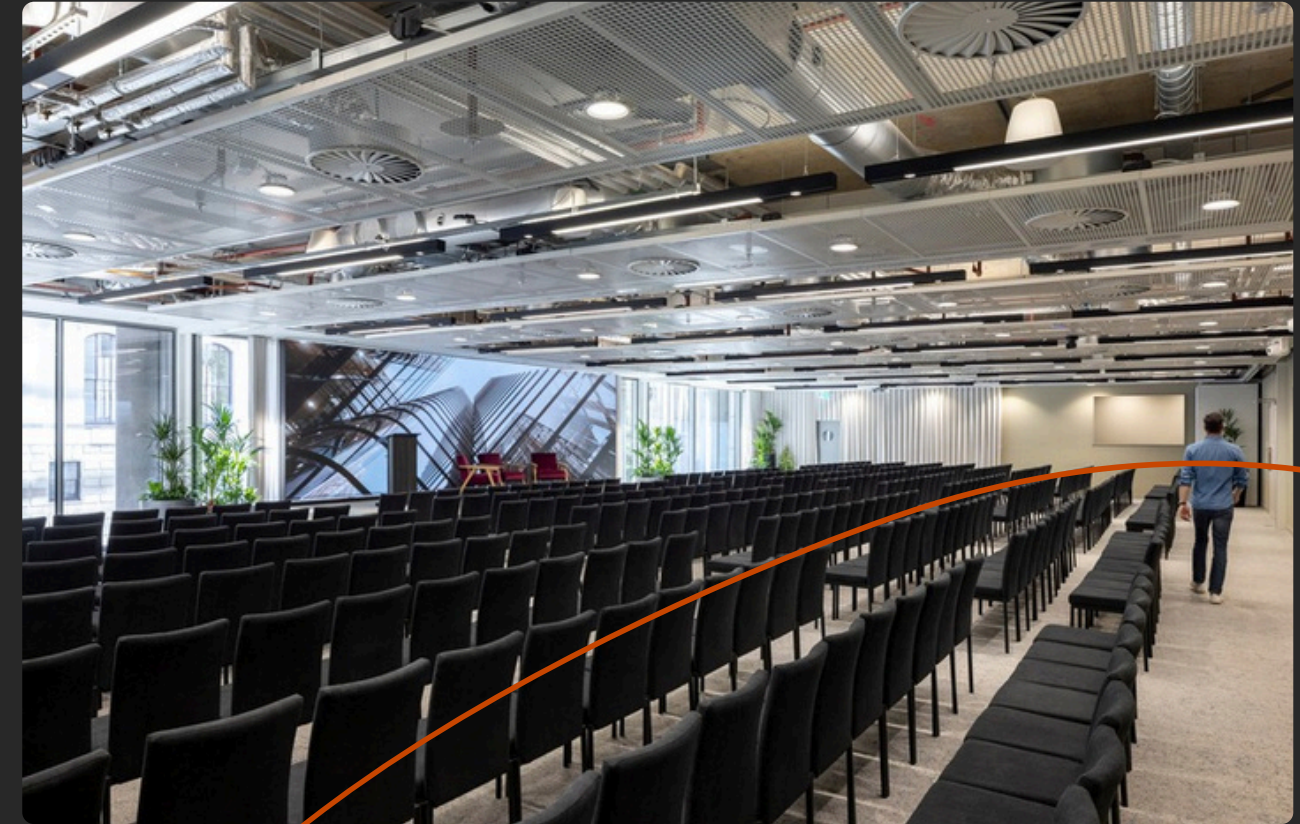

Arrival drinks and the main party on Level 1, then Club 88 for the leadership team or the late crowd.

A conference on Level 1 during the day, festive drinks at Club 88 once it wraps.

Built for scale. The main Pavilion takes up to 500 theatre, 270 cabaret or 280 banquet, with a private catering and networking space of 700 sqm alongside.

The layout adapts throughout the day: up to four breakout spaces, and a seamless shift from structured sessions to social evenings.

Technology is integrated and in-house: 9-metre LED wall, strong network and streaming capability, flexible digital branding throughout. One on-site team. No supplier complexity.

LOCATION & CONNECTIVITY

IN THE HEART OF THE CITY

Club 88 sits in the heart of the City, with St Paul's, Bank, Moorgate, Liverpool Street and Barbican all within walking distance. Easy for guests arriving from across London, and easy to get home from afterwards. Less friction on a December evening. Better attendance. A smoother night for everyone.

OUR PEOPLE

THE HUMANS BEHIND TOGETHER

TOGETHER works because of the experience behind it. Our team brings decades of hands-on experience across meetings, conferences and live events. Experience earned in real rooms, under real pressure. Not just planners and producers, but listeners, problem-solvers and calm heads when it matters. We believe clients choose people as much as spaces. So this is who you'll actually be working with, from first conversation through to delivery.
